COMBINED PROGRAMS

REQUIREMENTS

The Department of Anthropology offers three options for a combined Bachelor of Arts/Master of Arts degree:

• Combined Bachelor of Arts with a major in anthropology and Master of Arts in the field of anthropology

• Combined Bachelor of Arts with a major in archaeology and Master of Arts in the field of anthropology

• Combined Bachelor of Science with a major in biological anthropology and Master of Arts in the field of anthropology

The program allows students to take a specified number of graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master’s degree.

Students interested in the combined degree program should plan well in advance and confer with their major advisor about the details of their course of study. For more information visit the program website (http://anthropology.columbian.gwu.edu/combined-bama-program).
