DUAL BACHELOR OF ARTS AND MASTER OF ARTS PROGRAMS IN ANTHROPOLOGY

The Department of Anthropology offers three options for a dual bachelor’s/master’s degree:

- Bachelor of Arts with a major in anthropology (http://bulletin.gwu.edu/arts-sciences/anthropology/ba/) and Master of Arts in the field of anthropology (http://bulletin.gwu.edu/arts-sciences/anthropology/ma/)
- Bachelor of Arts with a major in archaeology (http://bulletin.gwu.edu/arts-sciences/anthropology/ba-archaeology/) and Master of Arts in the field of anthropology (http://bulletin.gwu.edu/arts-sciences/anthropology/ma/)
- Bachelor of Science with a major in biological anthropology (http://bulletin.gwu.edu/arts-sciences/anthropology/bs-biological-anthropology/) and Master of Arts in the field of anthropology (http://bulletin.gwu.edu/arts-sciences/anthropology/ma/)

These programs allows students to take 12 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master’s degree. All requirements for both degrees must be fulfilled.

Students interested in the dual degree program should confer with the department’s graduate adviser early in their junior year. Visit the program website (https://anthropology.columbian.gwu.edu/combined-bama-program/) for additional information.
