

DUAL BACHELOR OF ARTS WITH A MAJOR IN ARCHAEOLOGY AND MASTER OF ARTS IN THE FIELD OF ANTHROPOLOGY

The Department of Anthropology offers a dual bachelor of arts with a major in archaeology (<http://bulletin.gwu.edu/arts-sciences/anthropology/ba-archaeology/>) and master of arts in the field of anthropology (<http://bulletin.gwu.edu/arts-sciences/anthropology/ma/>) degree program. The program allows students to take 12 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

Students interested in the combined program should confer with their major advisor regarding the details of their course of study. Visit the program website (<https://anthropology.columbian.gwu.edu/combined-bachelorsmasters-programs/>) for additional information.
