MASTER OF ARTS IN THE FIELD OF ANTHROPOLOGY

REQUIREMENTS

Specific admission requirements are shown on the Graduate Program Finder. ([http://www.gwu.edu/all-graduate-programs](http://www.gwu.edu/all-graduate-programs))

The following requirements must be fulfilled:

The general requirements stated under Columbian College of Arts and Sciences, Graduate Programs ([http://bulletin.gwu.edu/arts-sciences/#degreeregulationtext](http://bulletin.gwu.edu/arts-sciences/#degreeregulationtext)).

The minimum requirement consists of:

36 credits of approved graduate course work including the following:

- At least three of the following four proseminars:
  - ANTH 6101 Proseminar in Biological Anthropology
  - ANTH 6102 Proseminar in Sociocultural Anthropology
  - ANTH 6103 Proseminar in Archaeology
  - ANTH 6104 Proseminar in Linguistic Anthropology

Those with significant background in a field, as determined by evaluation of a student petition to the proseminar instructor, may waive one proseminar. Those who are permitted to waive a proseminar must, however, take two courses from the following:

- ANTH 6101 Proseminar in Biological Anthropology
- or ANTH 6103 Proseminar in Archaeology

- ANTH 6102 Proseminar in Sociocultural Anthropology
- or ANTH 6104 Proseminar in Linguistic Anthropology

An approved methods course

In addition to the 36 credits of approved graduate course work, a thesis, integrating essay, or journal paper.

Students with fewer than four undergraduate semesters of a major foreign language must demonstrate a reading knowledge of an approved language before beginning the third semester of graduate work.

Concentration in museum training

The program of study is the same as that described above for the general degree, but must include:

- ANTH 6101 Proseminar in Biological Anthropology
- or ANTH 6103 Proseminar in Archaeology

- ANTH 6102 Proseminar in Sociocultural Anthropology
- or ANTH 6104 Proseminar in Linguistic Anthropology

An approved graduate-level course in quantitative analysis

Concentration in medical anthropology

The program of study is the same as that described for the general degree, but must include:

- ANTH 6101 Proseminar in Biological Anthropology
- or ANTH 6103 Proseminar in Archaeology

- ANTH 6102 Proseminar in Sociocultural Anthropology
- or ANTH 6104 Proseminar in Linguistic Anthropology

An approved methods course

In addition to the 36 credits of approved graduate course work, a thesis, integrating essay, or journal paper.

Students with fewer than four undergraduate semesters of a major foreign language must demonstrate a reading knowledge of an approved language before beginning the third semester of graduate work.

Concentration in international development

The program of study is the same as that described above for the general degree, but must include:

- ANTH 6101 Proseminar in Biological Anthropology
- or ANTH 6103 Proseminar in Archaeology

- ANTH 6102 Proseminar in Sociocultural Anthropology
- or ANTH 6104 Proseminar in Linguistic Anthropology

An approved graduate-level course in quantitative analysis

Concentration in medical anthropology

The program of study is the same as that described for the general degree, but must include:

- ANTH 6101 Proseminar in Biological Anthropology
- or ANTH 6103 Proseminar in Archaeology

- ANTH 6102 Proseminar in Sociocultural Anthropology
- or ANTH 6104 Proseminar in Linguistic Anthropology

An approved methods course

In addition to the 36 credits of approved graduate course work, a thesis, integrating essay, or journal paper.

Students with fewer than four undergraduate semesters of a major foreign language must demonstrate a reading knowledge of an approved language before beginning the third semester of graduate work.

Concentration in museum training

The program of study is the same as that described above for the general degree, but must include:

- ANTH 6101 Proseminar in Biological Anthropology
- or ANTH 6103 Proseminar in Archaeology

- ANTH 6102 Proseminar in Sociocultural Anthropology
- or ANTH 6104 Proseminar in Linguistic Anthropology

An approved methods course

In addition to the 36 credits of approved graduate course work, a thesis, integrating essay, or journal paper.

Students with fewer than four undergraduate semesters of a major foreign language must demonstrate a reading knowledge of an approved language before beginning the third semester of graduate work.
