

# MINOR IN ANTHROPOLOGY

## REQUIREMENTS

The following requirements must be fulfilled: 21 credits, including 12 credits in required courses and 9 credits in additional ANTH courses.

| Code   | Title                           | Credits |
|--|---------------------------------|---------|
| <b>Required</b>  |                                 |         |
| ANTH 1001  | Biological Anthropology         |         |
| ANTH 1002  | Sociocultural Anthropology      |         |
| ANTH 1003  | Archaeology                     |         |
| ANTH 1004  | Language in Culture and Society |         |
| Three additional anthropology (ANTH) courses, which must be taken in different subdisciplines. For the purposes of this minor, ANTH courses may be divided into subdisciplines as follows: |                                 |         |
| Biological anthropology—courses in the 3400s and ANTH 1005.  |                                 |         |
| Archaeology—courses in the 3800s.  |                                 |         |
| Anthropological linguistics—courses in the 2600s and 3600s.  |                                 |         |
| Sociocultural anthropology—all other upper-division courses, with the exception of ANTH 3995.  |                                 |         |
