MASTER OF SCIENCE IN THE FIELD OF CRIME SCENE INVESTIGATION

Increased proficiency in crime scene investigation is essential to all forensic sciences.

The MS in crime scene investigation teaches the scientific knowledge, skills, and abilities essential to investigative work. Designed for investigators, detectives, lawyers, special agents, medicolegal death investigators, crime scene technicians, and aspiring forensic investigators, the program trains students in techniques used to document crime scenes and to collect evidence. Students emerge from the program with skills in homicide investigation, forensic pathology, trace evidence analysis, crime scene photography, and examination of questioned documents, among other areas.

The MS is a STEM-designated program.

Visit the program website (https://forensicsciences.columbian.gwu.edu/programs/ms-crime-scene-investigation/) for additional information.

ADMISSIONS

Admissions Deadlines:
- Fall - April 1 (February 1 for applicants applying for assistantships/fellowships)
- Spring - October 1

Standardized test scores:
- GRE not required.

Minimum scores for the program are:
- Academic IELTS: an overall band score of 6.0 with no individual score below 5.0; or
- TOEFL: 550 on paper-based or 80 on Internet-based; or
- PTE Academic: 53

Applicants who do not meet minimum English language requirements may be eligible for our full-time Applied English Language program.

Recommendations required:
- Two (2) recommendations.

Prerequisite
- A bachelor's degree from an accredited university with at least one semester in chemistry and one semester of biology or permission of the department.

Requirements:
- Transcripts are required from all colleges and universities attended, whether or not credit was earned, the program was completed, or the credit appears as transfer credit on another transcript. Unofficial transcripts from all colleges and universities attended must be uploaded to your online application. Official transcripts are required only of applicants who are offered admission.
- If transcripts are in a language other than English, English language translations must be provided. The English translation alone should be uploaded into your application.
- In an essay of 250 – 500 words, state your purpose in undertaking graduate study in your chosen field. Include your academic objectives, research interests, and career plans. Also discuss your related qualifications, including collegiate, professional, and community activities, and any other substantial accomplishments not already mentioned on the application.

International applicants only:

Please follow this link - https://columbian.gwu.edu/international-graduate-applicants/ - to review the International Applicant Information carefully for details on required documents, earlier deadlines for applicants requiring an I-20 or DS-2019 from GW.

For additional information on the admissions process visit the Columbian College of Arts and Sciences Frequently Asked Questions (https://columbian.gwu.edu/graduate-admissions-faq/) page.

Supporting documents not submitted online should be mailed to:

Columbian College of Arts and Sciences - Graduate Admissions Office
The George Washington University
801 22nd Street NW, Phillips Hall 215
Washington DC 20052
