GRADUATE CERTIFICATE IN JEWISH CULTURAL ARTS

This program, a response to the growing prominence of art and culture within the contemporary Jewish community, offers both emerging and seasoned professionals an opportunity to deepen their understanding of Jewish cultural expression and its relationship to community building and civic engagement. Students are exposed to a wide range of issues and institutions as well as to leaders in the fields of Jewish cultural arts and experiential education and emerge from their training with the skills necessary to be an effective advocate for and proponent of the arts.
