

DUAL MASTER OF PUBLIC POLICY AND GRADUATE CERTIFICATE IN DATA SCIENCE

The Trachtenberg School in Columbian College of Arts and Sciences works in conjunction with the Data Science Program to offer a dual master of public policy (MPP) (<http://bulletin.gwu.edu/arts-sciences/public-policy-administration/mpp/>) and graduate certificate in data science (<http://bulletin.gwu.edu/arts-sciences/data-science/certificate/>) program. Of the 12 credits required for the certificate, 9 may be shared with the MPP, thereby decreasing the number of credits normally required for the master's. All requirements for both programs must be fulfilled. Students interested in the dual degree program should consult with their advisor.

Visit the program website (<https://tspppa.gwu.edu/mpp-and-graduate-certificate-data-science/>) for additional information.
