

DUAL MASTER OF SCIENCE IN THE FIELD OF STATISTICS AND GRADUATE CERTIFICATE IN THE FIELD OF DATA SCIENCE

The Department of Statistics works in conjunction with the Data Science Program (<https://datasci.columbian.gwu.edu/>) to offer a dual master of science in the field of statistics (<https://bulletin.gwu.edu/arts-sciences/statistics/ms/>) and graduate certificate in data science (<https://bulletin.gwu.edu/arts-sciences/data-science/certificate/>) program. The dual program allows students to complete the master's degree on an accelerated timeline by double-counting six credits toward both degrees.

Students in the combined program must complete four data science courses, four statistics courses and six additional upper-level statistics elective courses.

Credit sharing:

Up to 6 credits can be shared between programs.

Visit the Department of Statistics website (<https://statistics.columbian.gwu.edu/>) for additional information.
