WOMEN'S STUDIES

Part of the Columbian College of Arts and Sciences' arts and humanities programs, Women's Studies examines women's lives, literature, histories, and cultures through the lens of feminist theory and practice. The program strengthens a student's ability to gain knowledge of contemporary feminist theories and research methods. Classroom study is supplemented by the diverse resources of the Nation's capital as students experience and participate in the making of women's history in Washington, D.C.
