GRADUATE CERTIFICATE IN BUSINESS ANALYTICS

The master of science in business analytics (MSBA) degree program offers a stand-alone graduate certificate in business analytics. The graduate certificate is available to current GW School of Business and GW graduate students as well as interested professionals who are not currently enrolled at the University. The credits earned for this certificate are directly transferable towards earning the MSBA degree for up three years after completion of the certificate.

Visit the program website (https://business.gwu.edu/academics/programs/certificate/graduate-certificate-business-analytics/) for additional program information.
