The master of interdisciplinary business studies allows students with specific interdisciplinary interests to take the curricula of two School of Business graduate certificate programs for 24 credits and an additional 6 credits in elective courses to complete the total of 30 credits required for the degree.

**Required**

Students complete two 12-credit certificate programs selected from the list below. All requirements for both programs must be fulfilled.

- Graduate certificate in artificial intelligence [here](http://bulletin.gwu.edu/business/certificates/artificial-intelligence/)
- Graduate certificate in business analytics [here](http://bulletin.gwu.edu/business/certificates/business-analytics/)
- Graduate certificate in cloud, applications and information technology [here](http://bulletin.gwu.edu/business/certificates/cloud-applications-information-technology/)
- Graduate certificate in financial management [here](http://bulletin.gwu.edu/business/certificates/financial-management/)
- Graduate certificate in global management [here](http://bulletin.gwu.edu/business/certificates/global-management/)
- Graduate certificate in innovation, creativity and entrepreneurship [here](http://bulletin.gwu.edu/business/certificates/innovation-creativity-entrepreneurship/)
- Graduate certificate in management leadership [here](http://bulletin.gwu.edu/business/certificates/management-leadership/)
- Graduate certificate in project management [here](http://bulletin.gwu.edu/business/certificates/project-management/)
- Graduate certificate in sport management [here](http://bulletin.gwu.edu/business/certificates/sports-management/)
- Graduate certificate in strategic management [here](http://bulletin.gwu.edu/business/certificates/strategic-management/)

**Electives**

Students take an additional 6 credits in elective courses. Students may elect to use these credits to focus in one specific area or choose courses from different business areas in consultation with the advisor. Electives should focus on integrating the curricula of the two certificate programs.
