

# MASTER OF SCIENCE IN THE FIELD OF INTERNATIONAL BUSINESS

Tapping into this network of global organizations, the GWSB Department of International Business has built a widely respected reputation throughout academia, and more importantly, throughout the international business community. It is this solid reputation and academic integrity, along with a transformative study-abroad component, that provide the foundation for GWSB's Master of Science in international business (MSIB) degree. Students in the MSIB program complete two consulting courses – one working overseas with a client, and the other for an international organization here in Washington, D.C. They also participate in a professional seminar, which includes resume, interview and technical skills workshops as well as advice sessions from employers and alumni.

The MSIB program will instill you with the knowledge and expertise you need to keep pace with the constantly changing global business environment, and allows you to do so in an environment that is multicultural to its core. A broad selection of electives gives you the flexibility to tailor your degree to emphasize your specific career interests.

Visit the program website (<https://business.gwu.edu/ms-international-business/#MSIB-admissions>) for additional information.

**Statement of purpose:** A Statement of Purpose is required for your application. Be sure to check your academic program of interest for any specific requirements regarding the statement. If there are no specific program requirements, your statement of approximately 500 words should address your interests, academic and professional objectives, and proposed topic(s) of graduate study. Please review the academic program pages for any additional guidelines for the statement of purpose.

**Prior academic records:** Applicants are required to upload and submit copies of transcripts from all undergraduate and graduate institutions attended, whether or not the program was completed or the credit appears as a transfer credit on another transcript.

We consider these uploaded transcripts to be "unofficial" as they are submitted by the applicant.
