

DUAL BACHELOR OF SCIENCE WITH A MAJOR IN ENTREPRENEURSHIP AND INNOVATION AND MASTER OF SCIENCE IN THE FIELD OF TOURISM, HOSPITALITY, AND EVENT MANAGEMENT

The School of Business offers a dual bachelor of science with a major in entrepreneurship and innovation (<http://bulletin.gwu.edu/business/management/bs-entrepreneurship-innovation/>) and master of science in the field of tourism, hospitality, and event management (<http://bulletin.gwu.edu/business/management/mthem-tourism-hospitality-event-management/>) degree program. The combined program allows students to take up to 6 graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master's. All requirements for both degrees must be fulfilled.

Students interested in the dual degree program should confer with the graduate advisor. Visit the program website (<https://business.gwu.edu/four-plus-one/>) for additional information.
