

COMBINED DEGREE PROGRAMS

The School of Business offers several options for a dual bachelor's/master's degree. These programs allow students to take up to 12 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled. The dual bachelor's/master's programs offered are:

- Bachelor of Accountancy (<http://bulletin.gwu.edu/business/undergraduate-programs/business-administration/accountancy>) and Master of Accountancy (<http://bulletin.gwu.edu/business/accountancy/macc>) (BAccy/MAccy)
- Bachelor of Business Administration (<http://bulletin.gwu.edu/business/undergraduate-programs/business-administration/#text>) and Master of Accountancy (<http://bulletin.gwu.edu/business/accountancy/macc>) (BBA/MAccy)
- Bachelor of Business Administration (<http://bulletin.gwu.edu/business/undergraduate-programs/business-administration/#text>) and Master of Science in Business Analytics (<http://bulletin.gwu.edu/business/decision-science/ms-business-analytics>) (BBA/MSBA)
- Bachelor of Business Administration (<http://bulletin.gwu.edu/business/undergraduate-programs/business-administration/#text>) and Master of Science in Information Systems Technology (<http://bulletin.gwu.edu/business/graduate-programs/information-systems-technology-ms>) (BBA/MSIST)
- Bachelor of Business Administration (<http://bulletin.gwu.edu/business/undergraduate-programs/business-administration/#text>) and Master of Science in Project Management (<http://bulletin.gwu.edu/business/graduate-programs/project-management-ms>) (BBA/MSPM)
- Bachelor of Business Administration (<http://bulletin.gwu.edu/business/undergraduate-programs/business-administration/#text>) and Master of Tourism Administration (<http://bulletin.gwu.edu/business/graduate-programs/tourism-administration>) (BBA/MTA)

Dual BAccy/MAccy and BBA/MAccy

Students in the dual program leading to the master of accountancy degree first pursue either the bachelor of accountancy or bachelor of business administration. They may apply for admission to the MAccy after completion of 75 credits toward the undergraduate degree and successful completion of the Graduate Management Admission Test (GMAT). Please note that the GMAT can be waived with an undergrad GPA of at least 3.25. Students typically earn the BAccy or BBA after four years and the MAccy at the end of the fifth year. The combined degree program requires 150 credits including 30 credits of graduate work.

Visit the program website (<https://business.gwu.edu/academics/programs/undergraduate/combined-degree-programs/baccy-maccy-and-bba-maccy>) for additional information.

Dual BBA/MSBA

Students in the dual program leading to the master of science in business analytics first pursue the BBA with a concentration in business analytics. Students pursue the regular BBA curriculum in their first three years of study and are enrolled in courses at both the undergraduate and graduate levels during the final two years. Bachelor of Business Administration students interested in applying to the dual BBA-MSBA degree must have an overall GPA of at least 3.0 and must have completed the following three classes *with an average grade of at least 3.3*. Students can apply for admission to the program when they apply for admission to the University (they must meet specified GPA and other requirements to remain in the program), or they may apply after earning 75 credits. Students normally earn the BBA after four years and the MSBA at the end of the fifth year.

Visit the program website (<https://business.gwu.edu/academics/programs/undergraduate/combined-degree-programs/bba-msist>) for additional information.

Dual BBA/MSIST

Students in the dual program leading to the master of science in information systems technology first pursue the BBA with a concentration in information systems. Students pursue the regular BBA curriculum in their first three years of study and are enrolled in courses at both the undergraduate and graduate levels during the final two years. Students can apply for admission to the program when they apply for admission to the University (they must meet specified GPA and other requirements to remain in the program), or they may apply after earning 75 credits. Students normally earn the BBA after four years and the MSIST at the end of the fifth year.

Visit the program website (<https://business.gwu.edu/academics/programs/undergraduate/combined-degree-programs/bba-msist>) for additional information.

Dual BBS/MSPM

Students in the dual program leading to the master of science in project management first pursue the BBA with a concentration in project management. Students pursue the regular BBA curriculum in their first three years of study and are enrolled in courses at both the undergraduate and graduate levels during the final two years. In addition to meeting the requirements for the Bachelor of Business Administration, which includes 9 credits of shared graduate coursework, students in the dual program complete 24* credits of additional graduate coursework to complete the MS program, which comprise 18 credits of core courses, a 3-credit of Decision Science elective, and a 3-credit general elective approved by the advisor. Students can apply for admission to the program

when they apply for admission to the University (they must meet specified GPA and other requirements to remain in the program), or they may apply after earning 75 credits. Students normally earn the BBA after four years and the MSPM at the end of the fifth year.

Visit the program website (<https://business.gwu.edu/academics/programs/undergraduate/combined-degree-programs/bba-msist>) for additional information.

*GWSB simultaneously has submitted a proposal to reduce credits for the MS program from 36 to 33, which is why this the total to complete the MS is 24, not 27.

Dual BBA/MTA

Students in the dual program leading to the master of tourism administration first pursue the bachelor of business administration with a concentration in sport, event, or hospitality management. Students pursue the regular BBA curriculum in their first three years of study and are enrolled in courses at both the undergraduate and graduate levels during the final two years. Students can apply for admission to the program when they apply for admission to the University (they must meet specified GPA and other requirements to remain in the program), or they may apply after earning 75 credits. Students applying to the BBA/MTA dual degree program who have a 3.2 GPA after earning 75 credits are exempt from taking the GRE or GMAT exam. Students typically earn the BBA after four years and the MTA at the end of the fifth year. Students who choose to discontinue the program at the end of four years may be required to take additional courses to complete requirements for the BBA.
