

ENVIRONMENTAL STUDIES (ENVR)

ENVR 1098. Variable Topics - AP. 3 Credits.

ENVR 1099. Variable Topics. 36 Credits.

ENVR 4195. Environmental Studies Capstone. 3 Credits.

This capstone seminar provides undergraduate environmental studies majors with the opportunity to build on coursework in disciplines relevant to the major. Course components include discussion of foundational texts in environmental studies and group work on a local environmental theme. Students work with the GW Career Center on professional presentation skills, resume and cover letter writing, and analysis and synthesis skills building.

Explanation of Course Numbers

- Courses in the 1000s are primarily introductory undergraduate courses
- Those in the 2000s to 4000s are upper-division undergraduate courses that can also be taken for graduate credit with permission and additional work
- Those in the 6000s and 8000s are for master's, doctoral, and professional-level students
- The 6000s are open to advanced undergraduate students with approval of the instructor and the dean or advising office
