

# GRADUATE CERTIFICATE IN ISRAEL EDUCATION

Students in the graduate certificate in Israel education program sharpen their knowledge of Israel and Zionism by taking part in two special seminars as well as monthly webinars. Special emphasis is placed on connecting new content with innovative approaches for dissemination. Cohort members apply what they have learned to develop and test curricular or other educational projects for use in the setting in which they teach or work.

Visit the program website (<https://www.theicenter.org/initiative/professional-certificate/>) for additional information.
