

**This provisional edition of the 2018-2019 Bulletin is published primarily for the benefit of incoming freshmen and as such it focuses on updates to undergraduate programs and courses. Graduate and undergraduate programs and courses and other information concerning the University will continue to be updated until the final version is published in August 2018. At the date of publication, this version also includes up-to-date information on University Regulations, Financial Aid, Tuition and Fees, Undergraduate Admissions, and other non-program information.**

**The University reserves the right to change courses, programs, fees, and the academic calendar, or to make changes deemed necessary or desirable, giving advance notice of change when possible.**
