MINOR IN LINGUISTICS

Linguistics is the study of the human capacity to learn and use languages. GW's 18-credit, interdisciplinary linguistics minor provides students with training in the analysis of both the formal structures and social functions of language. Through analysis of key readings and approaches in linguistics, students learn how to interpret data and apply these analyses to theoretical debates and practical issues.

For more information, visit the program website (https://anthropology.columbian.gwu.edu/minors/).

ADMISSIONS

For more information on the admission process, please visit the Office of Undergraduate Admissions website (https://undergraduate.admissions.gwu.edu/). Applications may be submitted via the Common Application (https://go.gwu.edu/commonapp/).

Supporting documents not submitted online should be mailed to:
Office of Undergraduate Admissions
The George Washington University
800 21st Street NW, Suite 100
Washington DC 20052

Contact for questions:
gwadm@gwu.edu or 202-994-6040

REQUIREMENTS

The following requirements must be fulfilled: 18 credits, including 6 credits in required courses and 12 credits in elective courses (6 credits in each of two groups of elective options).
