**GRADUATE CERTIFICATE IN INTERNATIONAL SCIENCE AND TECHNOLOGY POLICY**

Scientific and technological advances provide the basis of international competitiveness and account for the bulk of national growth and the improvement of the quality of life around the world. The ability to create, adapt, and adopt new technologies defines modern societies. In today’s global environment, the need for innovation is essential for solving societal problems and staying ahead of competition. Developments in information technology, space exploration, genetic modification, and advances in material science are governed and shaped by institutions that set science and technology policy. T

The Elliott School offers a graduate certificate in international science and technology policy, consisting of 18 credits (6 courses), for professionals and students interested in exploring this topic outside their primary field of study.

Visit the program website (https://elliott.gwu.edu/graduate-certificates/international-science-technology-policy/) for additional information.

**ADMISSIONS**

**Standardized test scores:**

- GRE/GMAT test-optional

**Recommendations required:**

- Two (2) letters are required. Applicants should submit one (1) academic letter from a professor and one (1) professional reference.

**Prior academic records:**

- Transcripts are required from all colleges and universities attended, whether or not credit was earned, the program was completed, or the credit appears as transfer credit on another transcript. Unofficial transcripts from all colleges and universities attended should be uploaded to your online application. Official transcripts are required only of applicants who are offered admission and choose to enroll.

- If academic records are in a language other than English, English language translations must be provided. The English translations alone should be uploaded into the online application. Official transcripts and certified English translations will be required of applicants who are offered admission and choose to enroll.

**Statement of purpose:**

- All applicants are required to submit an essay of approximately 500 words that answers one of the two questions below:

  1. State your purpose in undertaking graduate study at the Elliott School. As part of your statement of purpose, describe your academic and research interests, career objectives, how a degree from the Elliott School will enable you to achieve your goals, and what unique skills, talents and/or perspectives you will bring to your program. Please be specific.

  2. Please discuss an issue of international importance you wish to address in your professional career. Please include how the Elliott School and the academic program to which you have applied will prepare you to address this global issue.

**Additional requirements:**

- A resumé or curriculum vitae is required.

**Prerequisites:**

- Students are encouraged to have strong analytical skills and a demonstrated interest in policy issues with significant science or technology dimensions.

**International applicants only:**

- International Applicants may be required to submit official English Language tests scores with their application. Please see the Elliott School’s English Language Requirements for guidance on whether you need to take the TOEFL/IELTS/PTE. Please send official TOEFL scores to institution code 5246.

- The minimum English Language Test Requirements can be found below:

  - Eligible for Admission & requires EAP Courses:
    - IELTS- 7.0 overall score, no band score below 6.0
    - TOEFL- 100 (internet test) 600 (paper test)
    - PTE- 68
  - Eligible for Admission & Exempt from EAP Courses**:
    - IELTS- 7.0 overall score, no band score below 6.5
    - TOEFL- 105 (internet test) 650 (paper test)
    - PTE- 72

  **Spring applicants must receive at least these scores to be considered for admission.

- Please review International Applicant Information carefully for details on required documents, earlier deadlines for applicants requiring an I-20 or DS-2019 from GW, and English language requirements.

Supporting documents not submitted online should be mailed to:
