

MASTER OF ARTS IN THE FIELD OF INTERNATIONAL AFFAIRS, INTERNATIONAL ECONOMIC AFFAIRS CONCENTRATION

See notes regarding special topics* and MBAD courses**.

Code	Title	Credits
------	-------	---------

Students pursuing this concentration must take ECON 6283 and ECON 6284 as part of the core field requirement for the master's degree program. These courses do not count toward the concentration.

Students also must demonstrate proficiency in introductory statistics. Means of demonstrating proficiency include, but are not limited to, prior satisfactory completion of undergraduate statistics coursework, or STAT 1051, 1053, 1111 or IAFF 6501 at GW. Students should consult the Program Director as soon as possible following matriculation into the program regarding additional ways in which this requirement may be fulfilled.

Required—at least 6 credits from the following:

ECON 6237	Economics of the Environment and Natural Resources
ECON 6250	Survey of Economic Development

*Specific subject matter covered in special/selected topics courses varies by semester. Consult the Schedule of Classes for each semester's offerings. Only specific topics that are determined by the Program Director to be relevant to the student's program of study may be used to fulfill this requirement. Any topic intended to be used for this requirement must be approved by the Program Director prior to enrollment. Up to two relevant LAW courses may be taken with the permission of the Law School Dean of Students and the Elliott School academic advisor.

**Only one MBAD skills course can be used within the International Affairs degree.
