

DUAL BS IN INTERNATIONAL AFFAIRS AND MS IN BUSINESS ANALYTICS

The Elliott School for International Affairs and GW School of Business offer a dual bachelor of science in international affairs (<http://bulletin.gwu.edu/international-affairs/undergraduate-programs/bs-international-affairs/>) and master of science in the field of business analytics (<http://bulletin.gwu.edu/business/decision-science/ms-business-analytics/>) degree program. The combined program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

Visit the ESIA (<https://elliott.gwu.edu/undergraduate-academics/>) and GWSB (<https://gsehd.gwu.edu/academics/>) websites for additional information.
