

DUAL BACHELOR OF SCIENCE WITH A MAJOR IN INTERNATIONAL AFFAIRS AND MASTER OF SCIENCE IN THE FIELD OF MANAGEMENT

The Elliott School for International Affairs and GW School of Business offer a dual bachelor of science with a major in international affairs (<http://bulletin.gwu.edu/international-affairs/undergraduate-programs/bs-international-affairs/>) and master of science in the field of management (<http://bulletin.gwu.edu/business/ms-management/>) degree program. The combined program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.
