GRADUATE CERTIFICATE IN CLINICAL RESEARCH PRACTICE

The graduate certificate in clinical research practice capitalizes on the foundational courses of clinical research, health informatics, epidemiology, and biostatistics to prepare the graduate with the requisite knowledge and skills to conduct clinical research in collaboration with sponsored research programs. The program of study has been drawn from the core program of study of the master of science in health sciences in the field of clinical and translational research program (http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-clinical-translational-research/)

Visit the program website (https://smhs.gwu.edu/clinical-translational-research/programs/graduate-certificates/graduate-certificate-clinical-research-practice/) for additional program information.

REQUIREMENTS

The following requirements must be fulfilled: 15 credits, including 12 credits in required courses and 3 credits in elective courses.
