GRADUATE CERTIFICATE IN INTEGRATIVE NUTRITION AND LIFESTYLE MEDICINE

The graduate certificate in integrative nutrition and lifestyle medicine program takes an integrative medicine approach to healthcare with an emphasis on the role of diet and nutrition. Through integrated nutrition counseling, skills for which demand is rapidly increasing, graduates can help patients at any age improve their quality of life while empowering them to avoid or manage chronic diseases such as type 2 diabetes, obesity, and heart disease.

ADMISSIONS

Admission deadlines:
- Fall - August 6
- Spring - December 6
- Summer - March 15

Standardized test scores:
- Not required

Recommendations required:
- Two (2) recommendations

Prior academic records:
- Transcripts required from all colleges and universities attended, whether or not credit was earned, the program was completed, or the credit appears as transfer credit on another transcript. Transcripts must be forwarded in their original sealed envelopes.

If academic records are in a language other than English, a certified English language translation must be provided in addition to the original transcripts; translations alone will not be accepted.

Official transcripts from institutions outside the U.S. must be accompanied by an official transcript evaluation from an accredited independent evaluating agency. Please be sure you request a detailed evaluation that includes all course titles, credit hours, grades, U.S. degree equivalency, grade-point averages (GPA), and date of degree conferral. Please see the list of acceptable foreign credential evaluation services (https://www.naces.org/members/).
