The School of Medicine and Health Sciences offers a dual bachelor of science in health sciences with a major in medical laboratory sciences (http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-medical-laboratory-science/) and master of science in health sciences in the field molecular diagnostic sciences (http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-molecular-diagnositics/) (http://bulletin.gwu.edu/engineering-applied-science/computer-science/ms/degree program. The program allows students to take 6 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master’s degree. All requirements for both degrees must be fulfilled.
