

MINOR IN BLOOD BANKING FOR MEDICAL LABORATORY SCIENCE

REQUIREMENTS

Completion of this minor qualifies the student to take the Technologist in Blood Banking examination offered by national certifying agencies.

Code	Title	Credits
Required		
MLS 4141	Immunology and Serology	
MLS 4150	Immunochemistry	
MLS 4151	Molecular Diagnostics	
MLS 4158	Laboratory Management and Operations	
MLS 4160	Blood Bank Practicum	

All courses for the minor are taught online, with the exception of the clinical practicum. The clinical practicum is taken upon completion of didactic coursework. Students typically are in a clinical laboratory eight hours per day (daytime hours), five days per week. Students must be able to fulfill the necessary time requirement for the practicum.
