

MINOR IN MICROBIOLOGY

ADMISSIONS

To be eligible for admission to the minor in microbiology program, students must have a minimum GPA of 2.5 and must have completed 8 credits in biological sciences courses (with hands-on labs) and 4 credits in microbiology courses (with hands-on labs). Students also must meet essential function requirements. The biological science and microbiology courses may be part of the students program of study but must be completed with a grade of C or above prior to taking the upper-level courses within the minor.

In addition, the following is required prior to clinical rotations (clinical microbiology practicum):

- Confirmation of essential functions
- Immunization records, including PPD (dated within the past 12 months) and evidence of hepatitis B, MMR, varicella, diphtheria, polio, and tetanus vaccinations
- Current physical examination
- Copy of health insurance
- Copy of criminal background check
- Copy of drug screening test

REQUIREMENTS

the following requirements must be fulfilled: 20 credits in required courses.

Code	Title	Credits
MLS 4116	Clinical Bacteriology I	
MLS 4117	Clinical Bacteriology II	
MLS 4119	Parasitology, Mycology, and Virology	
MLS 4141	Immunology and Serology	
MLS 4151	Molecular Diagnostics	
MLS 4158	Laboratory Management and Operations	
MLS 4164	Clinical Microbiology Practicum
