Dual Master of Science in Nursing in the Field of Adult-Gerontology Primary Care Nurse Practitioner and Doctor of Nursing Practice

The dual master of science in nursing (MSN) in the field of adult-gerontology primary care nurse practitioner (http://bulletin.gwu.edu/nursing/msn-adult-gerontology-primary-care-nurse-practitioner/) and doctor of nursing practice (DNP) (http://bulletin.gwu.edu/nursing/dnp-nursing-practice/) degree program allows students to earn the MSN and DNP sequentially with 3 credits shared between programs, thereby decreasing the number of credits normally required for the DNP degree. All requirements for both degrees must be fulfilled.

Visit the School of Nursing website (https://nursing.gwu.edu/) for additional information.
