

MASTER OF SCIENCE IN NURSING IN THE FIELD OF NURSING LEADERSHIP AND MANAGEMENT

The master of science in nursing in nursing leadership and management program, offered online, is designed to prepare graduates for upper-level positions in the field by enhancing the depth and breadth of the practicing clinical professional's knowledge and skills. The program focuses on leadership development by training nurses to think and act strategically, participate in policy decisions, and lead organizations through change and improvement. Students may choose to enroll in the program on a full- or part-time basis.

Visit the [GW Nursing website \(https://nursing.gwu.edu/\)](https://nursing.gwu.edu/) for additional information.

REQUIREMENTS

The following requirements must be fulfilled: 36 credits including 9 credits in professional core courses, 6 credits in research courses, and 21 credits in field-specific courses.

Students will complete 300 practicum hours in this program.
