

GRADUATE CERTIFICATE IN LANDSCAPE DESIGN

The graduate certificate program in landscape design is ideally suited for landscape professionals seeking to upgrade skills, individuals who wish to become professional landscape designers, amateurs with an interest in the art of garden design, institutional horticultural staff, nursery employees, and garden-design writers. Courses are geared to small-scale landscape design applications with emphasis on sound design principles, good site engineering methods, and creative use of plant materials.

Specific admission requirements can be found on the Graduate (<http://www.gwu.edu/all-graduate-programs>)Program Finder.

Visit the College of Professional Studies website (<https://cps.gwu.edu/graduate-certificate-programs>) for additional information.
