

GRADUATE CERTIFICATE IN SUSTAINABLE URBAN PLANNING

The graduate certificate in sustainable urban planning is tailored to students seeking a credential in the field, but who are not in need of a complete master's degree. This certificate can be combined with the graduate certificate in climate change management and policy (<http://bulletin.gwu.edu/professional-studies/certificate-programs/climate-change-management-policy>) and four core planning courses to earn the master of professional studies in sustainable urban planning (<http://bulletin.gwu.edu/professional-studies/graduate-programs/sustainable-urban-planning>) degree.

Specific admission requirements can be found on the Graduate Program Finder (<http://www.gwu.edu/all-graduate-programs>).

Visit the program website (<https://cps.gwu.edu/sustainable-urban-planning/graduate-certificate-sustainable-urban-planning>) for additional information.
