

# MASTER OF PROFESSIONAL STUDIES IN THE FIELD OF PARALEGAL STUDIES WITH A CONCENTRATION IN HEALTH CARE CORPORATE COMPLIANCE

The master of professional studies (MPS) in the field of paralegal studies with a concentration in health care corporate compliance degree program allows paralegal students to enroll in the master of paralegal studies (<http://bulletin.gwu.edu/professional-studies/graduate-programs/paralegal-studies>) program and the health care corporate compliance graduate certificate (<http://cps.gwu.edu/healthcare-compliance>) program concurrently and receive both credentials. The MPS is an advanced credential for those who wish to lead the profession in a variety of settings such as law, finance, insurance, consulting, and health care; the graduate certificate is the nationally-recognized industry standard.

At the completion of the program, graduates will have acquired the skills, knowledge, and abilities required to enter the field of health care law. The rigorous curriculum balances analysis and critical thinking with applied skills, and focuses on written and oral communication, research, and managing complex tasks and teams -- all skills that employers demand. The program is offered in both campus (<http://cps.gwu.edu/paralegal>) and distance learning (<http://paralegalstudiesmasters.online.gwu.edu>) formats.

Specific admission requirements can be found on the Graduate Program Finder (<http://www.gwu.edu/all-graduate-programs>).

Visit the program website (<http://cps.gwu.edu/healthcare-compliance>) for additional information.

## REQUIREMENTS

Applicants must hold a baccalaureate degree from a regionally accredited institution of higher learning or international equivalent. Additional admission requirements can be found on the Graduate Program Finder (<http://www.gwu.edu/all-graduate-programs>).

See CPS regulations for additional information regarding enrollment status and time limits.
