DUAL BACHELOR OF ARTS
WITH A MAJOR IN POLITICAL
SCIENCE AND MASTER OF
PROFESSIONAL STUDIES IN THE
FIELD OF ADVOCACY IN THE
GLOBAL ENVIRONMENT

Columbian College’s Department of Political Science and
the College of Professional Studies offer the combined
BA/MPS degree program for undergraduate students who
are interested in careers in global politics and advocacy,
from lobbying to strategic public relations, campaigns,
and influence building. The program allows students to
take a specified number of graduate credits as part of their
undergraduate degree, thereby allowing both degrees to be
earned more quickly and at a lower cost. Students pursuing the
combined program must complete all requirements for each
degree. To meet the requirements of the combined program,
students take 9 credits in graduate-level courses as part of their
BA program of study.

Consult the Department of Political Science (http://
www.gwu.edu/~psc) for admissions requirements and other
details.
