The Department of Political Science (http://www.gwu.edu/~psc) and the Graduate School of Political Management (https://gspm.gwu.edu) offer a dual bachelor of arts in political science and master of professional studies in political management (BA/MPS) program designed for highly-qualified undergraduate students majoring in political science who are interested in careers in the field of political management. The program allows students to take a specified number of graduate credits as part of their undergraduate degree, thereby allowing both degrees to be completed more quickly and at a lower cost.

Students interested in the dual BA/MPS program should consult the Department of Political Science (http://www.gwu.edu/~psc) for admissions requirements and other details.
