

DUAL BS IN NUTRITION SCIENCE AND MPH IN PUBLIC HEALTH NUTRITION

Program Director A. Sylvetsky

The Milken Institute School of Public Health offers a dual bachelor of science with a major in nutrition science (<http://bulletin.gwu.edu/public-health/bs-nutrition-science/>) and master of public health in the field of public health nutrition (<http://bulletin.gwu.edu/public-health/exercise-science/mph-public-health-nutrition/>) degree program. The program allows students to take up to 9 graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master's degree.

Visit the program website (<https://publichealth.gwu.edu/content/nutrition-science-bs/>) for additional information.
