DUAL BACHELOR OF SCIENCE WITH A MAJOR IN NUTRITION SCIENCE AND MASTER OF PUBLIC HEALTH

The Milken Institute School of Public Health offers a dual bachelor of science (http://bulletin.gwu.edu/public-health/bs-nutrition-science/) in nutrition science (http://bulletin.gwu.edu/public-health/exercise-science/dual-bs-nutrition-science-mph/public-health/bs-nutrition-science/) (BS) and any master of public health (http://bulletin.gwu.edu/public-health/#graduatetext) (MPH) degree. The program allows students to take up to 9 graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master’s degree.

Visit the BS in nutrition science (https://publichealth.gwu.edu/content/nutrition-science-bs/) and and master of public health programs (https://publichealth.gwu.edu/academics/programs/) websites for additional information.
