MASTER OF PUBLIC HEALTH IN THE FIELD OF GLOBAL HEALTH PROGRAM DESIGN, MONITORING, AND EVALUATION

Program Director: S. Baird

The MPH in global health design, monitoring, and evaluation prepares the next generation of global health professionals to implement, monitor, and evaluate global health programs and initiatives. These skills will ensure that students are able to contribute to improved global health program performance and make evidence-based decisions for the investment of scarce resources to improve global health outcomes.

Visit the program website (https://publichealth.gwu.edu/programs/global-health-program-design-monitoring-and-evaluation-mph/) for additional program information.

ADMISSIONS

Deadlines:
- Fall: March 15 (December 15 for priority scholarship consideration.)
- Spring: October 1
- Summer: March 15

Individuals interested in applying to this program should submit their application and supporting documents through SOPHAS, (http://www.sophas.org) a general online application for Schools of Public Health. A graduated fee is charged for this application, depending on the number of accredited schools to which you apply.

Standardized test scores:
- GRE general test (institutional code 5268), LSAT, MCAT, or GMAT. Not required for Fall 2021 application, however, students may submit their scores if they feel it would be beneficial.

Recommendations required:
- Two (2) recommendations

Prior academic records:
- Transcripts are required from all colleges and universities attended, whether or not credit was earned, the program was completed, or the credit appears as transfer credit on another transcript. Transcripts must be forwarded to SOPHAS in their original sealed envelopes directly from the institution.
- Official transcripts from institutions outside the United States must be accompanied by an official transcript evaluation from an accredited independent evaluating agency. Please see the list of acceptable foreign credential evaluation services (http://www.naces.org/members/).

Statement of purpose:
- In no more than 1500 words, state your purpose in undertaking graduate study in your chosen field. Include your academic objectives, research interests, and career plans. Also discuss your related qualifications, including collegiate, professional, and community activities, and any other substantial accomplishments not already mentioned in the application.
- The Committee reviews your Statement of Purpose to determine your motivation for pursuing a career in public health.
International applicants only: Please review International Applicant Information (http://graduate.admissions.gwu.edu/international-applicants/) carefully for details on required documents, earlier deadlines for applicants requiring an I-20 GW, and English language requirements. Detailed documentation needed for this program is available here (https://publichealth.gwu.edu/admissions/graduate-admissions/).

PLEASE NOTE that all programs in the Milken Institute School of Public Health require the following minimum English language test scores for admission:

- Academic IELTS: an overall band score of 7.0 with no individual band score below 6.0.
- TOEFL: 100 on Internet-based.

Supporting documents not submitted online should be mailed to:
Office of Admissions
Suite 200
Milken Institute School of Public Health
950 New Hampshire Ave. NW
Washington, DC 20052
