

# INTERNATIONAL BACCALAUREATE EQUIVALENTS

Assuming there is no duplication of coursework, a maximum of 24 credits may be awarded on the basis of work completed while enrolled in high school through examinations such as AP/IB/A-Levels.

## Credit through Examination

In order to receive credit for International Baccalaureate (IB) examinations, students must have their official score results sent to GW Office of Undergraduate Admissions as soon as they are available. Official International Baccalaureate (IB) results should be sent as soon as they are available.

Be aware that credit earned by examination at other colleges or universities or examinations taken after having taken the appropriate college-level course will not transfer credit to GW.

Please refer to the following charts for GW's course equivalents:

## International Baccalaureate Equivalents
