

# UPDATES TO THE 2018-19 BULLETIN

Last updated November 16, 2018

The following changes were made to the 2018-2019 Bulletin after its official publication in August 2018:

Change Area	Change description	Date of update or effective term
BS in mechanical engineering	Correction: replace MAE 3166 with MAE 3166W (5th semester)	Effective fall 2018
BS in mechanical engineering, aerospace option	Correction: replace MAE 3166 with MAE 3166W (5th semester)	Effective fall 2018
BS in mechanical engineering, medical preparation option	Corrections: replace BISC 1111 with BISC 1115 & BISC 1125 (2nd semester); replace BISC 1112 with BISC 1116 & BISC 1126 (3rd semester); add CE 4341, change from one to two humanities or social sciences electives (7th semester); and replace CE 4340 with CE 4330W in 8th semester.	Effective fall 2018
BS in mechanical engineering, medical preparation option	Corrections: Add Humanities course and CE 4341 to 7th semester requirements; add one Humanities course, CE 4342, and replace CE 4340 to CE 4330W in 8th semester requirements.	Effective fall 2018
BS in mechanical engineering, patent law option	Correction: replace MAE 3166 with MAE 3166W (5th semester)	Effective fall 2018
BS in mechanical engineering, robotics option	Correction: replace MAE 3166 with MAE 3166W (5th semester)	Effective fall 2018
MA in the field of economics	Program deactivated, no longer being offered. Bulletin page deleted.	Effective fall 2018
MS in the field of economics	Program does not accept applications. Page access removed from the Bulletin.	Effective fall 2018

MA in the field of security policy studies  
 Correction: Under "Requirements, replace " ... all students must fulfill a foreign language proficiency requirement" with "Students may choose to fulfill requirements that demonstrate proficiency in a foreign language"  
 Effective fall 2018

MA in the field of international science and technology policy  
 Add IAFF 6198 Special Topics in International Affairs (Applied Qualitative Methods) to options under the requirement for two courses in analytical competency.  
 Effective fall 2018

BA with a major in geography  
 Correction: add GEOG 3193 to list of optional courses in "Group A."  
 Effective fall 2018

BA in Chinese language and literature  
 Corrections: Delete CHIN 3136 from electives list; it was deactivated in 2015. Changed WSTU 3136 AND WSTU 3136W to WGSS 3136 and WGSS 3136W; these should have been changed when the course code was changed in 2017.  
 Effective spring 2019

BA in Japanese language and literature  
 Corrections: Delete CHIN 3136 from electives list; it was deactivated in 2015. Changed WSTU 3136 AND WSTU 3136W to WGSS 3136 and WGSS 3136W; these should have been changed when the course code was changed in 2017.  
 Effective spring 2019

Graduate certificate in LGBT health policy and practice  
 Corrections: raised required credits from 12 to 18, changed capstone to a fixed 3 credits, and increased elective credits from 3 to 6; corrected courses with designation WSTU to WGSS (missed during universal change).  
 Effective fall 2018

Graduate certificate in climate change management and policy  
 Deactivating program  
 Effective spring 2019
