BACHELOR OF ARTS WITH A MAJOR IN AMERICAN STUDIES

The Department of American Studies at George Washington University fosters a dynamic interdisciplinary learning environment focused on understanding the culture, beliefs, policies, politics, urbanization, and history of the United States and its role in the world. Through a rigorous curriculum, internationally recognized professors challenge students to uncover fresh perspectives on the United States and teach them how to analyze an array of cultural forms— from YouTube to urban spaces to policy documents.

GW’s long-standing ties with the Smithsonian Institution and other organizations within the nation’s capital immerse students in unique experiences relating to historic preservation, museum curation, social politics, and more. Alumni have achieved success in professions from law to nonprofit advocacy, in culturally focused productions— from film to the web— and in the management of cultural resources— from museums to historic sites.

### GENERAL EDUCATION

In addition to the University General Education Requirement (http://bulletin.gwu.edu/university-regulations/general-education/), undergraduate students in Columbian College must complete a further, College-specific general education curriculum—Perspective, Analysis, Communication (G-PAC) (http://bulletin.gwu.edu/arts-sciences/gpac/) as well as the course CCAS 1001 First-Year Experience. Together with the University General Education Requirement, G-PAC engages students in active intellectual inquiry across the liberal arts. Students achieve a set of learning outcomes that enhance their analytical skills, develop their communication competencies, and invite them to participate as responsible citizens who are attentive to issues of culture, diversity, and privilege.

Coursework (http://bulletin.gwu.edu/university-regulations/general-education/#generaleducationtext) **for the University General Education Requirement is distributed as follows:**

- One course in critical thinking in the humanities.
- Two courses in critical thinking, quantitative reasoning, or scientific reasoning in the social sciences.
- One course that has an approved oral communication component.
- One course in quantitative reasoning (must be in mathematics or statistics).
- One course in scientific reasoning (must be in natural and/or physical laboratory sciences).
- UW 1020 (https://bulletin.gwu.edu/search/?P=UW%201020) University Writing (4 credits).
- After successful completion of UW 1020, 6 credits distributed over at least two writing in the discipline (WID) courses taken in separate semesters. WID courses are designated by a "W" appended to the course number.

Coursework for the CCAS G-PAC requirement is distributed as follows:

- **Arts**—one approved arts course that involves the study or creation of artwork based on an understanding or interpretation of artistic traditions or knowledge of art in a contemporary context.
- **Global or cross-cultural perspective**—one approved course that analyzes the ways in which institutions, practices, and problems transcend national and regional boundaries.
- **Local or civic engagement**—one approved course that develops the values, ethics, disciplines, and commitment to pursue responsible public action.
- **Natural or physical science**—one additional approved laboratory course that employs the process of scientific inquiry (in addition...
to the one course in this category required by the University General Education Requirement).

- Humanities—one additional approved humanities course that involves critical thinking skills (in addition to the one course in this category required by the University General Education Requirement).

- CCAS 1001 First-Year Experience

**Certain courses are approved to fulfill GPAC requirements in more than one category.**

Courses taken in fulfillment of G-PAC requirements may also be counted toward majors or minors. Transfer courses taken prior to, but not after, admission to George Washington University may count toward the University General Education Requirement and G-PAC, if those transfer courses are equivalent to GW courses that have been approved by the University and the College.

Lists of approved courses in the above categories are included on each undergraduate major’s ([http://bulletin.gwu.edu/arts-sciences/#majorstext](http://bulletin.gwu.edu/arts-sciences/#majorstext)) page in this Bulletin.

**SPECIAL HONORS**

In addition to the general requirements stated under University Regulations, in order to be considered for graduation with Special Honors in American Studies, a major must receive a grade of A on the senior paper written for AMST 4500 Proseminar in American Studies.

**COMBINED PROGRAM**

Combined program

- Dual Bachelor of Arts with a major in American studies and Master of Arts in the field of American studies ([http://bulletin.gwu.edu/arts-sciences/american-studies/combined-ba-ma/](http://bulletin.gwu.edu/arts-sciences/american-studies/combined-ba-ma/))
