DUAL BACHELOR OF ARTS OR BACHELOR OF SCIENCE WITH A MAJOR IN ECONOMICS AND MASTER OF PUBLIC POLICY

The Department of Economics and the Trachtenberg School of Public Policy and Public Administration in Columbian College offer dual bachelor of arts with a major in (https://bulletin.gwu.edu/arts-sciences/economics/ba/)economics or bachelor of science with a major in (https://bulletin.gwu.edu/arts-sciences/economics/bs/)economics and master of public policy (https://bulletin.gwu.edu/arts-sciences/public-policy-administration/mpp/) degree programs. The programs allow students to take 12 graduate credits as part of their undergraduate degree, thereby decreasing the number of credits normally required for the master's. All requirements for both degrees must be fulfilled. Students interested in the dual degree program should consult with their advisor.
