

# DUAL BACHELOR OF ARTS WITH A MAJOR IN ENVIRONMENTAL STUDIES AND MASTER OF ARTS IN THE FIELD OF ENVIRONMENTAL AND SUSTAINABILITY POLICY (STEM/ STEM)

The Department of Geography and Environment and the Trachtenberg School of Public Policy and Public Administration in Columbian college work in cooperation to offer a dual bachelor of arts with a major in environmental studies (<http://bulletin.gwu.edu/arts-sciences/environmental-studies/ba/>) and master of arts in the field of environmental and sustainability policy (<http://bulletin.gwu.edu/arts-sciences/public-policy-administration/esp-ma/>) degree. The program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.
