

MINOR IN APPLIED ETHICS

Students in the minor in applied ethics program explore core ethical theory including utilitarianism, deontology, and virtue ethics. They practice how to apply that theory to moral issues in business and professional practice. Elective options for the minor explore philosophy as it applies to disability, race, and gender; human rights; the environment; value theory, and more.

Visit the program website (<https://philosophy.columbian.gwu.edu/minors/>) for more information
