SPEECH–LANGUAGE PATHOLOGY POST-BACCALAUREATE PROGRAM

To participate in the post-baccalaureate program, students apply to the master of arts in the field of speech-language pathology (https://speechhearing.columbian.gwu.edu/ma-speech-language-pathology) and may be granted conditional admission (https://speechhearing.columbian.gwu.edu/post-baccalaureate-program#conditional) to the master's program. In order to maintain conditional admission status, students must maintain a minimum cumulative GPA of 3.0.

The 26 credits earned in courses taken for the post-baccalaureate program count toward the master's degree, and grades earned in those courses are included in the student's cumulative GPA. Once the student successfully completes the required post-baccalaureate curriculum, they are guaranteed entry into the MA program. Applicants may be eligible to transfer prerequisite credits previously completed. Such cases will be reviewed on an individual basis during the admissions process.

In addition, all post-baccalaureate students perform 25 hours of clinical observation, as mandated by the American Speech-Language-Hearing Association (ASHA), before beginning clinical practica.

Code	Title	Credits
Required		
SLHS 2104	Speech and Language Disorders	
SLHS 2105	Anatomy and Physiology for Speech, Language, and Hearing	
SLHS 2106	Neural Substrates of Speech, Language, and Hearing	
SLHS 2107	Acoustics	
SLHS 2108	Introduction to Audiology	
SLHS 3131	Language Acquisition and Development	
SLHS 3135	Language: Structure, Meaning, and Use	
SLHS 3136	Phonetics	
SLHS 4119	Principles and Methods in Speech-Language Pathology
