MASTER OF ACCOUNTANCY IN THE FIELD OF ACCOUNTING ANALYTICS

OVERVIEW

The master of accountancy (MAccy) degree in the field of accounting analytics degree program offers a path for students at all skill levels. The 30-credit program is designed to prepare students for careers that combines both accounting and data analytics skills. An undergraduate degree in accountancy or business is not required. For undergraduate students, the School of Business offers dual bachelor of science (BS) with a major in accountancy and MAccy and BS with a major in business, accountancy concentration, and MAccy degree programs (http://bulletin.gwu.edu/business/dual-ba-bs-and-business-masters/).

ADMISSIONS

Visit the School of Business website (https://business.gwu.edu/graduate-applications/) for admissions information.

Students who intend to take the C.P.A. examination should be aware that the coursework required for admission to the examination varies from state to state. Students are advised to consult the Board of Accountancy for the state in which they plan to take the examination and choose electives that meet that state’s requirements.
