

DUAL MASTER OF BUSINESS ADMINISTRATION (STEM) AND MASTER OF SCIENCE IN THE FIELD OF BUSINESS ANALYTICS

The School of Business offers a dual master of business administration (<https://bulletin.gwu.edu/business/mba/>) (MBA) and master of science in the field of business analytics (<https://bulletin.gwu.edu/business/decision-science/ms-business-analytics/>) (MS) degree program. 18 credits are shared between the two degrees. 3 credits of MS core coursework are applied to MBA core requirements. 9 credits in additional MS courses are applied to MBA electives. MBA students must take business analytics-focused STEM electives as part of their remaining MBA electives, to be applied toward the MS elective requirement. All requirements for both degrees must be fulfilled.

Visit the School of Business website (<https://business.gwu.edu/academics/programs/mba/joint-dual-degree-mba/>) for additional information.
