MASTER OF ARTS IN EDUCATION AND HUMAN DEVELOPMENT IN THE FIELD OF ORGANIZATIONAL LEADERSHIP AND LEARNING

Students in the organizational leadership and learning master’s program focus on increasing the learning and leadership capacity of individuals, teams, organizations, and systems to optimize performance and effectiveness. The program includes a solid foundation in organizations, leadership, and concepts with an applied emphasis. Electives are chosen with an adviser in the areas of organizational development, human performance and learning, or training/development and may include two courses from other departments within the university or from the Washington Metropolitan Area Consortium of Universities.

Students in this program also can enroll in and receive a graduate certificate in:

- Sustainability Leadership

Certain credits are applied toward both the master’s degree and the certificate.

Visit the program website for additional information.
