Empower youth to lead a better future by earning your Graduate Certificate in Transition Special Education from George Washington University. Participants will gain the required knowledge, skills, and competencies to assist youth and young adults with disabilities as they transition to postsecondary opportunities. In the special education transition certificate program, participants will focus on social justice as they join a community of transition leaders from across the country, learning to design and implement transition programming to help ensure the success of youth as they transition to adult life.

Visit the program website (https://gsehd.gwu.edu/programs/graduate-certificate-transition-special-education/) for additional information.
