

CLINICAL RESEARCH AND LEADERSHIP

OVERVIEW

The department of clinical research and leadership offers programs for professionals who are interested in obtaining a quality education, while working with experienced and knowledgeable faculty and field practitioners, and contributing to the development of new knowledge and practice within their chosen clinical field of practice. Through the department's dedicated faculty and staff, the bachelor's, master's, graduate certificate, and post-baccalaureate certificate programs approach education and leadership development from an interdisciplinary perspective. In this way, the department cultivates students' skills in critical thinking and research, while guiding important insights into their chosen field of study.

The Clinical Research and Leadership programs are best suited for practitioners interested in formalizing their educational and professional accomplishments through a degree or certificate. We embrace the fundamental concepts of adult learning and encourage collaboration, experiential learning, creative thinking, and self-direction. Our programs are fully online in an asynchronous format, with no on-campus requirement.

Visit the department website (<https://crl.smhs.gwu.edu/>) for more information.

UNDERGRADUATE

Bachelor's programs

- Bachelor of Science in Health Sciences with a major in clinical health sciences (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-health-services/>) (military partnership)
- Bachelor of Science in Health Sciences with a major in clinical operations and healthcare management (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-operations-health-care-management/>)
- Bachelor of Science in Health Sciences with a major in clinical research administration (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-research-administration/>)

GRADUATE

Master's programs

- Master of Science in Health Sciences in the field of biomedical informatics (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/mshs-biomedical-informatics/>)
- Master of Science in Health Sciences in the field of clinical and translational research (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-clinical-translational-research/>)

- Master of Science in Health Sciences in the field of clinical operations and healthcare management (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/mshs-clinical-operations-healthcare-management/>)
- Master of Science in Health Sciences in the field of healthcare quality (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-health-care-quality/>)
- Master of Science in Health Sciences in the field of integrative medicine (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-integrative-medicine/>)
- Master of Science in Health Sciences in the field of regulatory affairs and clinical research leadership (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-regulatory-affairs-and-clinical-research-leadership/>)

Military contract program

- Master of Science in Health Sciences in the field of immunohematology (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-immunohematology/>)

CERTIFICATE

Certificate Programs

- Biomedical informatics (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/biomedical-informatics/>)
- Clinical and translational research (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/clinical-translational-research/>)
- Clinical operations and healthcare management (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/clinical-operations-healthcare-management/>)
- Clinical research administration (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/clinical-research-administration/>)
- Clinical research practice (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/clinical-research-practice/>)
- Healthcare quality (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/health-care-quality/>)
- Integrative medicine (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/integrative-medicine/>)
- Integrative nutrition and lifestyle medicine (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/integrative-nutrition-lifestyle-medicine/#text>)
- Regulatory affairs (<http://bulletin.gwu.edu/medicine-health-sciences/certificate/regulatory-affairs/>)

DOCTORAL

Doctoral programs

- Doctor of Philosophy in the field of translational health sciences (<http://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/phd-translational-health-sciences/>)

COMBINED

Combined programs

- Dual Bachelor of Science in Health Sciences with a major in clinical operations and healthcare management and Master of Science in Health Sciences in the field of healthcare quality (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-mshs-clinical-operations-healthcare-management-health-care-quality/>)
- Dual Bachelor of Science in Health Science with a major in clinical research administration and Master of Science in Health Sciences in the field of biomedical informatics (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-clinical-research-administration-mshs-biomedical-informatics/>)
- Dual Bachelor of Science in Health Sciences with a major in clinical research administration and Master of Science in Health Sciences in the field of clinical and translational research (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-cra-mshs-clinical-translational-research/>)
- Dual Bachelor of Science in Health Sciences with a major in clinical research administration and Master of Science in Health Sciences in the field of regulatory affairs and clinical research leadership (<http://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/dual-bshs-cra-mshs-regulatory-affairs-and-clinical-research-leadership/>)
